| <b>PGs - TEACHING SCHEDULE FOR – APRIL - 2026</b> |   |                              |                            |
| <b>DATE</b>                                       | <b>TOPIC</b>  | <b>PRESENTER</b>             | <b>MODERATOR</b>           |
| 4/1/2026  | <b>Case Presentation:</b> PBC neck  | DR.MERLIN                    | DR.KANCHANA                |
| 4/2/2026  | <b>Seminar:</b> Tracheoesophageal fistula   | DR.M.MAHA                    | DR.ANIS<br>DR.KRISHNAN     |
| 4/4/2026  | <b>Seminar:</b> Drugs:Pharmacodynamics + Pharmacokinetics                                       | DR.CHINMAYI                  | DR.RAVI<br>DR.NAZREEN      |
| 4/4/2026  | <b>Journal Club:</b> Difficult airway algorithm for paediatric along with resuscitation updates | DR.PRADEEP                   | DR.KANCHANA<br>DR.NAZREEN  |
| 4/4/2026  | Group Discussion: Faculty   | Dr.SIVAKUMAR<br>Dr.M.V.VIDYA |                            |
| 4/6/2026  | <b>Seminar:</b> Anatomy - Nose, Mouth, Pharynx and Diaphragm                                    | DR.SAROJA                    | DR.NEVIN<br>DR.CHIRANJIVI  |
| 4/7/2026  | HOSPITAL CME  |                              |                            |
| 4/8/2026  | <b>Case Presentation:</b> Cleft lip / Palate  | DR.MANISHA                   | DR.NEVIN<br>DR.KARTHIKA    |
| 4/10/2026   | <b>Seminar:</b> VAP   | DR.SANJICKA                  | DR.ANIS                    |
| 4/11/2026   | <b>Seminar:</b> Induction drugs - Propofol, Etomidate   | DR.RAJESH<br>DR.PAVITRA      | DR.PARTHIBAN<br>DR.DEEPIKA |
| 4/11/2026   | <b>Journal Club:</b>  | DR.SENTHIL                   | DR.NAZREEN                 |
| 4/11/2026   | Group Discussion: Faculty   | Dr.SIVAKUMAR<br>Dr.M.V.VIDYA |                            |
| 4/13/2026   | <b>Seminar:</b> Anatomy - Larynx, Trachea, Tracheobronchial tree, Pleural                       | DR.PREETHIKA                 | DR.ANIS<br>DR.KARTHI       |
| 4/15/2026   | <b>Case Presentation:</b> Bronchiectasis  | DR.DARSHINI                  | DR.NEVIN                   |
| 4/16/2026   | <b>Seminar:</b> CHPS / NEC  | DR.PRIYA                     | DR.AMOOLYA<br>DR.GOWTHAM   |
| 4/17/2026   | <b>Seminar:</b> ECMO  | DR.MERLIN                    | DR.RAVI                    |
| 4/18/2026   | <b>Seminar:</b> Drugs- Thiopentone, Ketamine  | DR.PAVITRA<br>DR.ABDULLAH    | DR.JANANI<br>DR.PARTHIBAN  |
| 4/18/2026   | <b>Journal Club:</b> Paediatric pain assessment   | DR.M.MAHA                    | DR.RAVI<br>DR.CHIRANJIV    |
| 4/18/2026   | Group Discussion: Faculty   | Dr.SIVAKUMAR<br>Dr.M.V.VIDYA |                            |
| 4/20/2026   | <b>Seminar:</b> Respiratory Mechanics, Lung volumes and Capacity                                | DR.RAJESH                    | DR.ANIS<br>DR.KARTHIKA     |
| 4/21/2026   | HOSPITAL CME  |                              |                            |

|           |  |                              |                            |
|-----------|--|------------------------------|----------------------------|
| 4/22/2026 | <b>Case Presentation:</b> Burns  | DR.JAYA                      | DR.KANCHANA<br>DR.DEEPIKA  |
| 4/23/2026 | <b>Tutorial:</b> Physiological changes of pregnancy /<br>Physiology of Uteroplacental Blood Flow | DR.SWATHI                    | DR.PRIYANGA<br>DR.KARTHIKA |
| 4/24/2026 | <b>Seminar:</b> Surviving Sepsis Guidelines – Sepsis bundle                                      | DR.MAHALAKSHMI               | DR.PRIYANGA                |
| 4/25/2026 | <b>Seminar:</b> Drugs - Benzodiazepines - Midazolam,<br>Diazepam, Lorazepam                      | DR.PREETHIKA<br>DR.SAROJA    | DR.NAZREEN<br>DR.GOWTHAM   |
| 4/25/2026 | <b>Journal Club:</b>   | DR.SANJICKA                  | DR.KARTHIKA                |
| 4/25/2026 | Group Discussion: Faculty  | Dr.SIVAKUMAR<br>Dr.M.V.VIDYA |                            |
| 4/27/2026 | <b>Seminar:</b> V/Q shunt factors affecting shunt  | DR.CHINMAYI                  | DR.AMOOLYA<br>DR.KANCHANA  |
| 4/28/2026 | HOSPITAL CME   |                              |                            |
| 4/29/2026 | <b>Case Presentation:</b> Tonsil   | DR.THENMOZHI                 | DR.JANANI                  |
| 4/30/2026 | <b>Tutorial:</b> Physiology of normal labour / labour analgesia                                  | DR.MANISHA                   | DR.ANIS<br>DR.NAZREEN      |

Dr.S.Sivakumar  
Professor and HOD  
Department of Anaesthesiology
