

## DEPARTMENT OF RADIOLOGY

### ACADEMIC SCHEDULE - SEPTEMBER 2026 (08:00 a.m. to 09:00 a.m. & 3:00 p.m. to 04:00 p.m.)

All morning sessions including 'exam going PG case presentation' and 'interesting case discussion' will be held in the basement seminar room.

| DATE       | DAY           | TOPIC                                                                                                                     | SPEAKER                  | MODERATOR      |
|------------|---------------|---------------------------------------------------------------------------------------------------------------------------|--------------------------|----------------|
| 01-09-2026 | Tuesday       | Group Discussion – HSG & CT Brain                                                                                         | Dr. Dona & Dr. Hariharan | Dr. Prithigaa  |
| 02-09-2026 | Wednesday     | PULMONARY MEDICINE – RADIOLOGY MEETING                                                                                    |                          | Dr. Uma        |
| 03-09-2026 | Thursday      | Weekly Internal Department Audit / Tutorials                                                                              | All PGs                  | Dr. Uma        |
| 04-09-2026 | Friday        | Seminar – Early Pregnancy Scan and Ectopic Gestation                                                                      | Dr. Govardhana           | Dr. Supraja    |
| 05-09-2026 | Saturday      | Seminar - Case Presentation                                                                                               | Second Years             | Dr. Kalvi      |
| 06-09-2026 | <b>SUNDAY</b> |                                                                                                                           |                          |                |
| 07-09-2026 | Monday        | Seminar – MRI - Basic Physics                                                                                             | Dr. Harshini             | Dr. Joseph     |
|            |               | Lecture 1 (03:00 p.m. to 04:00 p.m.)<br>Evolution of Radiodiagnosis & Introduction to various modalities                  |                          | Dr. Kalvi      |
| 08-09-2026 | Tuesday       | Journal Club                                                                                                              | Dr. Govardhana           | Dr. Mithun Raj |
| 09-09-2026 | Wednesday     | PULMONARY MEDICINE – RADIOLOGY MEETING                                                                                    |                          | Dr. Uma        |
| 10-09-2026 | Thursday      | Weekly Internal Department Audit / Tutorials                                                                              | All PGs                  | Dr. Uma        |
| 11-09-2026 | Friday        | Journal Club                                                                                                              | Dr. Praveen              | Dr. Micheal    |
|            |               | Lecture 2 (03:00 p.m. to 04:00 p.m.)<br>Fluroscopy: Digital including Flat Panel Units, Fluoroscopy cum Radiography Units |                          | Mr. Haridharan |
| 12-09-2026 | Saturday      | Seminar - Case Presentation                                                                                               | First Years              | Dr. Surjii     |
| 13-09-2026 | <b>SUNDAY</b> |                                                                                                                           |                          |                |
| 14-09-2026 | Monday        | <b>HOLIDAY</b>                                                                                                            |                          |                |
| 15-09-2026 | Tuesday       | Group Discussion – USG Arterial & Venous Doppler                                                                          | Dr. Hariharan & Dr. Dona | Dr. Surjii     |
| 16-09-2026 | Wednesday     | PULMONARY MEDICINE – RADIOLOGY MEETING                                                                                    |                          | Dr. Uma        |
| 17-09-2026 | Thursday      | Weekly Internal Department Audit / Tutorials                                                                              | All PGs                  | Dr. Uma        |
| 18-09-2026 | Friday        | Seminar – First Trimester Biometry and Early Anatomy Screening                                                            | Dr. Praveen              | Dr. Prithigaa  |
| 19-09-2026 | Saturday      | Seminar - Case Presentation                                                                                               | First Years              | Dr. Joseph     |
| 20-09-2026 | <b>SUNDAY</b> |                                                                                                                           |                          |                |

|            |           |                                                                                                           |                          |                |
|------------|-----------|-----------------------------------------------------------------------------------------------------------|--------------------------|----------------|
| 21-09-2026 | Monday    | Group Discussion – USG Carotid & Superficial Temporal Artery Doppler                                      | Dr. Dona & Dr. Hariharan | Dr. Mithun Raj |
|            |           | Lecture 3 (03:00 p.m. to 04:00 p.m.)<br>Interactions of Radiation with matter & Radiation protection      |                          | Dr. Supraja    |
| 22-09-2026 | Tuesday   | Seminar – MRI Sequences                                                                                   | Dr. Harshini             | Dr. Supraja    |
| 23-09-2026 | Wednesday | PULMONARY MEDICINE – RADIOLOGY MEETING                                                                    |                          | Dr. Uma        |
| 24-09-2026 | Thursday  | Weekly Internal Department Audit / Tutorials                                                              | All PGs                  | Dr. Uma        |
| 25-09-2026 | Friday    | Seminar – MRI Artifacts & Safety Measures                                                                 | Dr. Hariharan            | Dr. Micheal    |
|            |           | Lecture 4 (03:00 p.m. to 04:00 p.m.)<br>Digital Radiography: Computed Radiography, Flat Panel Radiography |                          | Mr. Haridharan |
| 26-09-2026 | Saturday  | QUARTERLY ASSESSMENT - III                                                                                |                          |                |
| 27-09-2026 | SUNDAY    |                                                                                                           |                          |                |
| 28-09-2026 | Monday    | Seminar – Second Trimester Scan                                                                           | Dr. Praveen              | Dr. Kalvi      |
|            |           | Lecture 5 (03:00 p.m. to 04:00 p.m.)<br>Normal Chest X-rays                                               |                          | Dr. Surjii     |
| 29-09-2026 | Tuesday   | Seminar – Third Trimester Scan and Fetal Interventions                                                    | Dr. Govardhana           | Dr. Kalvi      |
| 30-09-2026 | Wednesday | PULMONARY MEDICINE – RADIOLOGY MEETING                                                                    |                          | Dr. Uma        |

- If Pulmonary medicine – Radiology meeting is not there, Case Presentation will be done
- Radiology - Medicine Meet - Every 2nd Thursday of the Month
- Radiology - Surgery - Pathology Meet - Every 3rd Week of the Month

Dr. A. Umamageswari

Professor & HOD

Department of Radiodiagnosis
