

**PONDICHERRY INSTITUTE OF MEDICAL SCIENCES**  
**DEPARTMENT OF BIOCHEMISTRY**  
**I MBBS (BATCH-2025) TEACHING SCHEDULE - FEBRUARY 2026**

3

| COMP .NO | Date                | Timings         | Competency  | TLM     | Hrs                                | F1                 | F2          | F3                | F4           | F5                | F6         | F7 |
|----------|---------------------|-----------------|---|---------|------------------------------------|--------------------|-------------|-------------------|--------------|-------------------|------------|----|
| BC 14.3  | 02/02/2026<br>(Mon) | 2.15-4.15<br>pm | Analysis of Abnormal urine. BC 14.3 (SG/DOAP)   | SG/DOAP | Mrs Asha/Mr<br>Bharathy            | Dr. Sunil<br>Nanda | Dr. Sujatha | Ms.<br>Meenakshi  | Dr. Kalpana  | Mr. Anil<br>Kumar | Dr Neeraja |    |
| BC 14.3  | 04/02/2026<br>(Wed) | 2.15-4.15<br>pm | Analysis of Abnormal urine. BC 14.3 (SG/DOAP)   | SG/DOAP | Mrs Asha/Mr<br>Bharathy            | Dr. Sunil<br>Nanda | Dr. Sujatha | Ms.<br>Meenakshi  | Dr. Kalpana  | Mr. Anil<br>Kumar | Dr Neeraja |    |
| BC 4.1   | 05/02/2026<br>(Thu) | 10-11 am        | Lipid Chemistry I . BC 4.1(L)   | L       | Dr Neeraja                         |                    |             |                   |              |                   |            |    |
| BC 4.1   | 06/02/2026<br>(Fri) | 8-9 am          | Lipid Chemistry II. BC 4.1(L)   | L       | Dr Neeraja                         |                    |             |                   |              |                   |            |    |
| BC 4.2   | 07/02/2026<br>(Sat) | 8-9 am          | Digestion and Absorption of lipids. BC 4.2<br>(SDL)   | SDL     | Dr Kalpana                         |                    |             |                   |              |                   |            |    |
| BC 14.3  | 09/02/2026<br>(Mon) | 2.15-4.15<br>pm | Analysis of Abnormal urine. BC 14.3 (SG/DOAP)   | SG/DOAP | Mr Anil/Mrs<br>Asha                | Dr. Sunil<br>Nanda | Dr. Sujatha | Ms.<br>Meenakshi  | Dr. Kalpana  | Mr. Bharathi      | Dr Neeraja |    |
| BC 4.3   | 10/02/2026<br>(Tue) | 3.15-4.15<br>pm | Oxidation of Fatty Acids. BC 4.3(L)   | L       | Dr Sunil                           |                    |             |                   |              |                   |            |    |
| BC 14.3  | 11/02/2026<br>(Wed) | 2.15-4.15<br>pm | Analysis of Abnormal urine. BC 14.3 (SG/DOAP)   | SG/DOAP | Mr Anil/Mrs<br>Asha                | Dr. Sunil<br>Nanda | Dr. Sujatha | Ms.<br>Meenakshi  | Dr. Kalpana  | Mr. Bharathi      | Dr Neeraja |    |
| BC 4.3   | 12/02/2026<br>(Thu) | 10-11 am        | Ketone body metabolism. BC 4.3(L)   | L       | Dr Sunil                           |                    |             |                   |              |                   |            |    |
| BC 4.3   | 13/02/2026<br>(Fri) | 8-9 am          | Fatty Acid Synthesis. BC 4.3(L)   | L       | Dr<br>Kalpana                      |                    |             |                   |              |                   |            |    |
| BC 4.4   | 14/02/2026<br>(Sat) | 8-10 am         | Cholesterol Metabolism. BC 4.4(L)   | L       | Miss<br>Meenakshi                  |                    |             |                   |              |                   |            |    |
| BC 14.4  | 16/02/2026<br>(Mon) | 2.15-4.15<br>pm | Identification of Abnormal constituents in the given<br>urine and interpret the results. BC 14.4(SG/DOAP) | SG/DOAP | Dr. Sujatha /<br>Miss<br>Meenakshi | Dr. Sunil<br>Nanda | Dr. Kalpana | Mr. Anil<br>Kumar | Mr. Bharathi | Ms. Asha          | Dr Neeraja |    |
| BC 4.5   | 17/02/2026<br>(Tue) | 3.15-4.15<br>pm | Lipoprotein Metabolism- I. BC 4.5(L)  | L       | Dr. Sujatha                        |                    |             |                   |              |                   |            |    |
| BC 14.4  | 18/02/2026<br>(Wed) | 2.15-4.15<br>pm | Identification of Abnormal constituents in the given<br>urine and interpret the results. BC 14.4(SG/DOAP) | SG/DOAP | Dr. Sujatha /<br>Miss<br>Meenakshi | Dr. Sunil<br>Nanda | Dr. Kalpana | Mr. Anil<br>Kumar | Mr. Bharathi | Ms. Asha          | Dr Neeraja |    |
| BC 4.5   | 19/02/2026<br>(Thu) | 10-11 am        | Lipoprotein Metabolism- II. BC 4.5(L)   | L       | Dr. Sujatha                        |                    |             |                   |              |                   |            |    |

|        |                 |              |   |     |                 |             |               |             |                |              |          |            |
|--------|-----------------|--------------|---|-----|-----------------|-------------|---------------|-------------|----------------|--------------|----------|------------|
| -      | 20/02/2026(Fri) | 9-10 am      | MONTHLY MENTOR MENTEE MEETING   | -   | Dr. Sunil Nanda | Dr. Sujatha | Ms. Meenakshi | Dr. Kalpana | Mr. Anil Kumar | Mr. Bharathi | Ms. Asha | Dr Neeraja |
| BC 4.7 | 21/02/2026(Sat) | 9-10 am      | Fatty Liver & Lipotropic factors and Cholelithiasis. BC 4.7 (L)   | L   | Mr Anil Kumar   |             |               |             |                |              |          |            |
| -      | 23/02/2026(Mon) | 8-10 am      | IA  | -   | All Faculty     |             |               |             |                |              |          |            |
| -      | 23/02/2026(Mon) | 2.15-4.15 pm | OSPE  | -   | Dr. Sunil Nanda | Dr. Sujatha | Ms. Meenakshi | Dr. Kalpana | Mr. Anil Kumar | Mr. Bharathi | Ms. Asha | Dr Neeraja |
| BC 4.6 | 24/02/2026(Tue) | 3.15-4.15 pm | Atherosclerosis. Biological role and therapeutic applications of Eicosanoids and their inhibitors. BC 4.6 (L) | -   | Miss Meenakshi  |             |               |             |                |              |          |            |
| -      | 25/02/2026(Wed) | 2.15-4.15 pm | OSPE  | -   | Dr. Sunil Nanda | Dr. Sujatha | Ms. Meenakshi | Dr. Kalpana | Mr. Anil Kumar | Mr. Bharathi | Ms. Asha | Dr Neeraja |
| -      | 26/02/2026(Thu) | 10-11 am     | Atherosclerosis- Integrated Teaching with General Medicine  | -   | Dr Neeraja      |             |               |             |                |              |          |            |
| BC 5.3 | 27/02/2026(Fri) | 8-9 am       | Digestion and Absorption of proteins. BC 5.3(SDL)   | SDL | Mrs Asha        |             |               |             |                |              |          |            |

Dr. Sunil Kumar Nanda  
Professor and Head  
Department of Biochemistry  
P.I.M.S
