11th September 2026

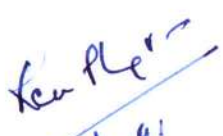

NOTICE TO INTERNS OF SEPTEMBER 2026 BATCH

New Batch of Interns (September 2026 Batch) should report for orientation starting on 16.09.2026 at 8.00am in the ETC 2nd Floor, Medical Education Unit.

1. Failure to report for the orientation for one day shall lead to an extension of one week and if absent for orientation, will lead to reporting for internship after one month.
2. All interns have to get themselves vaccinated for Hepatitis B. Anti-HBs anti-body titres have to be done and submitted before joining internship.
3. Students will have to clear their pending tuition fees before commencement of internship.
4. Interns must wear only scrubs during their duty hours
